

Golf Outings at La Cita Golf & Country Club

Coordination Services

At La Cita Golf & Country Club, we specialize in organizing and coordinating events and tournaments. Our professional staff will be happy to use their expertise to ensure that every step of your event runs smoothly; from initial planning to tournament play day. At your request the following services may be provided by the Pro Shop to assist you in making your event a success.

Set Up

- Each cart will display the names and starting time of each player or team.
- A rules sheet will be provided for your event.
- An official computerized scorecard will be included.

Contests

- We will put out and collect all of your special contest markers and hole sponsors.
- Hole in One cars are allowed to be proudly displayed on the course when details are approved in advance.

Scoring & Awards

- A central scoring location will be set up for your convenience.
- A Golf Professional will be on hand to do all scoring and rules inquiries.
- Professional score sheets will be used.

Prizes

- We suggest Gift Certificates from our Golf Shop. This enables the players to leave with their prize immediately in the correct size and color.

Tournament Checklist

Planning a successful tournament requires plenty of lead time, attention to detail, and careful communication with the La Cita Staff at all stages. Please use this helpful guide to ensure you have covered all areas of planning.

Pre-Planning Considerations

- Take an early survey of participants noting ability, special needs, and other helpful information in assisting us in making your event run smoothly.
- Select a Tournament Contact who will work exclusively with the staff to ensure a great event.
- The Tournament Contact should be familiar with golf.
- Determine the number of players participating in the outing.
- Choose a date, rain date, and time for your outing.
- Determine if lunch or dinner will be included.
- If lunch is included, decide whether it will be served before or after the tournament.

Planning the Golf Tournament

- Choose the type of tournament to be played.
- We suggest a “Captain’s Choice” event because it does not require handicaps and normally every player can contribute to the success of their team regardless of skill level.
- Make sure you have confirmed your date and time as far in advance as possible.
- Sign and return the Tournament Contract.
- Decide how many places are to be paid and secure prizes.
- Arrange food and beverage needs with the Catering Director.
- Advise the Pro Shop of the final number of players.
- Communicate all course rules (i.e. soft spikes, dress code) to participants.

Scheduling and Time Considerations

- Depending on the size of your field, plan on four to five hours to complete the Tournament.
- FIVE DAYS PRIOR TO THE EVENT, YOU MUST GUARANTEE THE NUMBER OF PLAYERS TO THE PRO SHOP AND PROVIDE A LIST OF FOURSOMES TO ALLOW FOR ALL CART SIGNS AND SCOREBOARDS TO BE PROPERLY COMPLETED.
- On the day of the event, the individuals in charge of the registration MUST keep an accurate list of all changes to be made on the scoreboards.
